Kershaw, South Carolina

TAJRacing out of Tampa, FL had a successful debut this weekend finishing 2nd in class and 10th overall in the grueling 24 Hours of LeMons at Carolina Motorsport Park in Kershaw, South Carolina.

After being 1st in class and 4th overall at the halfway point of "LeMons South" it appeared the team would be in contention for an overall podium finish. Unfortunately three seperate on track incidents which resulted in penalties totaling 25 minutes on Sunday dropped the team back to 2nd in class and 10th overall in the 72 car field.

TAJRacing would like to thank Jay Lamm who is the brave soul to organize events like this around the country. The team hopes the series will return to Carolina Motorsports Park in 2009 to defend their top 10 overall finish.

TAJRacing wishes to thank all our partners and sponsors for supporting us. Without Advantage Steel Inc and SIGNSTAR out of Tampa, FL, none of this would be possible. Many thanks to Ampro Signs and Lighting, Posey Battery, Tampa Clutch Supply, Guaranteed Radiators, Freightliner Trucks, Grainger and Squincher Energy Drinks!
